

### December Figures

#### Clients Served 2024

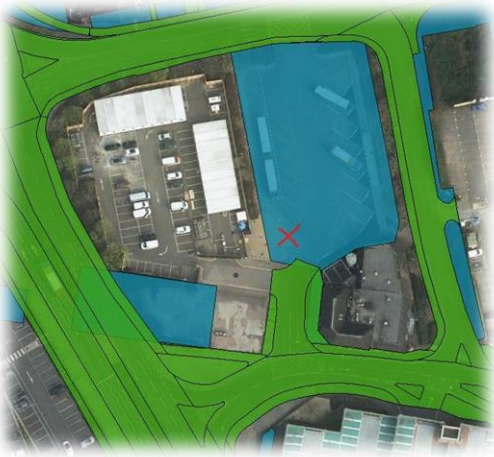

21,615 clients served in 2024!

We handed out **240** school breakfast bags, making a total of **6960** throughout 2024. Logbook completion was **77%** in December, averaging **85%** for 2024.

Our volunteers dedicated **840** hours throughout December, and a total of **10,052** hours in 2024.

### Serving Van Location

Below is the location within Acland Street car park, at which the Council have asked us to park when serving.

However, it is understood that this exact location isn't always available, so we decide an alternative location within Acland Street if needs be; safety must be at the forefront if required to relocate the serving van.

We are working with the council to 'mark out' the area for us.

### Donations

A huge thank you to our regular donating organisations throughout December:

- Grasmere Farm
- Pukka Pies
- Bakkavor
